**CORDIS***The Community Research and Development Information Service*

CORDIS, the Community Research and Development Information Service, is an interactive information platform that keeps you up-to-date with the latest news, progresses and initiatives in the field of European research & development. CORDIS is a free of charge service provided by the Publications Office of the EU, and offers access to European Union research & development funding programmes.

It further provides opportunities to seek potential partners and receive information on previous and on-going projects. More than 80,000 registered users consult CORDIS on a regular basis to use the service's interactive features and thus give fresh impetus to their businesses and professional interests.

To receive more information on CORDIS, please send an e-mail to: marketing@cordis.europa.eu
